Sierra Leone declared Ebola free -- Healey IRF efforts in review

Sierra Leone recorded its first case of Ebola in May 2014. Now 18 months later Sierra Leone has been declared Ebola free. The Healey Ebola Lifesaver Project - H.E.L.P. -- trained 150 community leaders and set up hand washing stations in Newton, Kissy Town, Lumpa, Waterloo, Rokel, Hastings, Grafton, Jui, Allen Town, Lakka and Goodrich communities. Medical supplies and food were also delivered by Healey IRF. Efforts now turn to strengthening the healthcare infrastructure in Sierra Leone and Healey IRF will be opening new clinics to provide healthcare to the most vulnerable.

Hand washing stations reached thousands

Healey IRF team testified to Congress during height of crisis in 2014

Education efforts helped establish best practices to bring the epidemic under control

Healey IRF donated toys to orphaned children brings smiles to many faces

Thousands of children have been left orphaned by the Ebola crisis. In addition to providing medical and educational support, Healey IRF brings toys to the children -- their smiles speak for themselves!

With the holidays coming, can you help provide support to these children? If you can please visit our [Amazon Gift Registry](#) select a gift and bring joy and smiles to their faces.
