

Happy Holidays from Healey International Relief Foundation!

Best wishes for **Peace** and **Joy** this holiday season.

Your support brings love and hope to the children of Sierra Leone, West Africa.

Meet Samuel; Samuel arrived to St. Mary's Children's Home on November 1, 2014 after losing his parents to the Ebola Virus.

Fortunately, Samuel did not contact the Virus, but he was suffering from malnutrition. The children of St. Mary's warmly welcomed and embraced their "newest" little brother and the staff is working around the clock making sure Samuel regains his strength and health. Their nurture and care bring him one step closer to not only a healthy being, but happy soul.

Remember Samuel this holiday season and the ever growing number of children left orphaned by Ebola.

To be a star in Samuel's sky, visit our website www.hirf.net/donate and make a donation.

To bring holidays to all children at St. Mary's Home, purchase gifts online from our [Amazon wish list](#).
