### Items from Amazon Wish List Arrive!

Thanks to all who supported our latest Amazon Wish List appeal for the children orphaned by Ebola that are being cared for at our Interim Care Center in Kline Town, Sierra Leone. The children were thrilled with the toys, books and backpacks but the pillows were a special treat...11-year old Josephine summed up the children's feelings "Oh, Sister, I feel like sleeping right now." It's the little things that make a difference and when you lay your head down on your pillow tonight, think of the children and their new pillows, toys..books....Your contribution made their smiles shine bright. Thank you.

### Partnership with Good360 supplies needed linens for Charity Health Network hospitals and clinics

While pharmaceuticals and medical supplies are critical to the Charity Health Network, linens for our hospitals and clinics are also needed. That is why we are very pleased with a recent

donation through Good360 that is providing hundreds of sets of bed linens. These will be distributed throughout our Charity Health Network that includes four hospitals and nine clinics and serves a catchment area of nearly 1.5 million people.
